

Creative Arts Festival

Business Booth Registration

September 24, 2011

We would like to invite you to be a part of the 24th Annual Otsego Creative Arts Festival. The Otsego Chamber of Commerce is excited to present a fun filled day for the entire family. Otsego is a unique town, situated on M-89, one of the busiest traffic corridors in the area (located between Grand Rapids and Kalamazoo; Battle Creek and Holland). The business vendors will be placed on the sidewalks along M-89 through town. There are many activities going on all over town. We anticipate another very successful festival!

The fee for a booth space is \$10 for non-profit organizations and \$25 for all other organizations. (Chamber members are entitled to a free booth.)

Booth spaces vary in size. Please include a description below of your needs and we will do our best to place you appropriately. Vendors need to be set up by 8:00am and stay set up until 4:00pm.

Please note that there will be no refunds due to inclement weather.
